

Annual Report of the Vice Speaker 2010-2011
2011 Ohio State Society of Medical Assistants
Annual Conference April 28th –May 1st, 2011
Embassy Suites, Dublin, Ohio

It has been my pleasure to serve as Vice Speaker for the OSSMA over the past year. Throughout the year I have been available to assist the Speaker and other members of the Board of Trustees. I attended the Summer Board Meeting and Fall Board meetings. In September of 2010 I served as a voting delegate to the AAMA Annual Conference in Orlando, Florida. Attending the AAMA House of Delegates was an exciting and thought provoking event. During the AAMA House of Delegates, I was fortunate to be elected to the AAMA Nominating Committee.

As Vice Speaker, I wrote 2 informational articles for the Helping Hands: Using Parliamentary Procedure and Serving as a Delegate.

Thank you again for the opportunity to serve the OSSMA and its' members.

Respectfully Submitted,

Loxie Kistler, Ed.D., CMA(AAMA)
